**AMENDMENT**

Sir:

This amendment addresses the issues raised in the final office action mailed March 9, 2007 that set a three month shortened statutory period for response. A petition to extend the period for response three months is filed concurrently herewith, extending the period for response to Sunday, September 9, 2007. This amendment and the accompanying Request for Continued Examination are being filed on the next business day, Monday, September 10, 2007.

In response to the March 9<sup>th</sup> final office action, Applicant filed an amendment after final on May 31, 2007 that presented claim amendments and remarks. An "Advisory Action before the Filing of and Appeal Brief" was mailed June 27, 2007. In item No. 7 of the Advisory Action, the Examiner noted that the claim amendments presented in the Amendment after final would be entered for the purposes of appeal. Since no appeal was filed, this amendment presents amendments to the claims as they stood at the time of the March 9<sup>th</sup> final office action.
